Subject: [External] Comment for Docket No. 2023-9-E

Hello,

I am a Dominion customer and would appreciate a public hearing on Dominion's long-term resource plan. As a customer, bill payer, and citizen who appreciates the natural resources of the Lowcountry, I would like to ensure the public is aware of changes and has input on how this affects us and our homes.

Thank you,

Alysa Helvig (Charleston, SC)
